STEWARDSHIP *A Way of Life*

Stewardship Reflection

In today's Gospel, Jesus heals ten lepers—however, only one of them returns to give thanks.

Living Stewardship . . . Pillar of Formation

Today's Gospel teaches us to live with an "attitude of gratitude". God has given us so many blessings, sometimes we forget to turn back and thank Him. This week in your daily prayers, remember to thank God for all He has done for you.

Principal's Announcements

We've all heard the saying "Have an attitude of gratitude." For Christians, this is more than a greeting card saying; it is a basic command of Christian life. The theme of gratitude underlies this week's Gospel reading that tells of ten lepers who were healed by Jesus. In the reading, ten lepers earnestly long for healing since leprosy was one of the great curses of their time, causing those who suffered from the disease to live apart from family and friends. All ten turned to Jesus in faith with their request. However, after they are healed, only one of the ten returns to thank him for answering their prayer.

While Jesus makes it clear that it was the man's faith that healed him, the story has another lesson as well. Although we must begin our prayer requests in faith, they should end in gratitude. All too often, we are quick to make requests, but slow to return in thankful prayer. Like the nine lepers who did not come back, we neglect to express our thanks to God when our prayers are answered. However, thankfulness is a hallmark of a true disciple. How often do you remember to say "thank you" to God?

School is closed on Monday, October 10th in observance of Columbus Day.

The Kindergarten students will participate in the iReady diagnostic assessment this week. Please ensure your Kindergarten child comes to school well-rested, eats a nutritious breakfast, has his/her iPad fully charged, and brings his/her earphones.

The Fathers' Club is hosting Sports Night this Friday night, October 14th.

Next Sunday, October 16th is the Mothers' Club Garden Potpourri on the Field of Dreams from 12-4 P.M.

If your child was absent on Picture Day, Lifetouch Photographers will be back on November 21st for absentees and re-takes.

Peace and Blessings to you and your families on this 28th Sunday in Ordinary Time.

Focus on Religious Freedom

The Unique Contributions of Christianity to the World

Christianity has made numerous contributions to the world, demonstrating that it turned the ancient world upside down and laid the foundation for positive changes in societies around the world. While some choose to list the faults of those who claim to be Christians but have done great harm, the actual good done in the name of Christ is astonishing. "It is impossible to exaggerate the importance of the coming of Christianity. It brought with it, for one thing, an altogether new sense of human life. For the Greeks had shown man his mind; but the Christians showed him his soul. They taught that in the sight of God, all souls were equal, that every human life was sacrosanct and inviolate," wrote Yale historian R.R. Palmer. ⁽¹⁾

"The gospel not only converts the individual, but it changes society. On every mission field ... the missionaries carried a real social gospel. They established standards of hygiene and purity, promoted industry, elevated womanhood, restrained anti-social customs, abolished cannibalism and human sacrifice, organized famine relief, checked tribal wars, and changed the social structure of society," wrote Princeton Prof, Samuel Zwerner. ⁽²⁾ Despite its humble origins, Christianity made more changes on earth for good than any other movement in history. "Education, social reform, medicine, democracy, the arts and modern science all owe much of their current existence to the teaching and ideas of the followers of Jesus Christ," wrote author David Robertson. ⁽³⁾

* Following Emperor Constantine's conversion in A.D. 325, the churches built hospitals, hospices for travelers and houses for orphans, widows and the indigent. Historians note that charitable organizations are almost unknown in the ancient world until the time of Christ.

* Christians took real, practical steps helping the sick. The Emperor Charlemagne (800-814) decreed that every cathedral was required to have an attached hospital.

* Monasteries generated the copying of Scripture and other literature, especially from Greece, and their libraries provided the inspiration for the first universities in the 12th and 13th centuries.

* Christianity places a high value on truth and that truth about the existence of God can be discovered through observation of the natural world, thus having a positive impact on the development of the sciences.

* Christianity produced a middle class not known to mankind. It had always been the rich and the poor, the elite and the serfs or slaves. But with Christ, the carpenter, there was now honor in all work as a God-given calling, helping to produce a vibrant middle class. ⁽⁴⁾

*"Now the Lord is the Spirit,
and where the Spirit of the Lord is, there is Freedom." Corinthians 3:17*

Prayer of Saint Francis

Lord, make me an instrument of Your peace;
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is error, the truth;
Where there is doubt, the faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.

O Divine Master,
Grant that I may not so much seek
To be consoled, as to console;
To be understood, as to understand;
To be loved as to love.

For it is in giving that we receive;
It is in pardoning that we are pardoned;
And it is in dying that we are born to eternal life.
Amen.
